Our concept is simple: to provide our customers with the highest quality food in the most pure and natural way, from scratch. Our jams, dressings, soups, pickles, french fries, teas, and many, many more items are made in house. We only serve antibiotic/hormone free, pasture raised meats, free range eggs, homemade sausages, hand crafted teas, non GMO canola oil, and organic EVOO. We create our own syrups and mixes for our house cocktails, such as lavender honey simple syrup and lemon verbena syrup using only organic sugar.

Knowing where your food comes from is not a radical idea, but a tradition rounded in using the freshest ingredients locally: which is why we strive to use small family farms and vendors. Currently, we are sourcing many high quality specialty items, such as non GMO free range eggs from Farmer Hen House, grass fed beef from Strauss Farm & gluten free pancakes and desserts from Sweet Ali's, and much of our produce during the growing season from Zeldenrust.

Our passion is founded in a pure way. Our beliefs are steeped in these simple concepts. This is who we are, pure and simple. Taste the goodness of Harvest Room.
